

Dental Health Presentations Interest Survey

We need your help in scheduling presentations relative to dental health! Please take a couple of moments to respond to the questions below. We are looking to share new trends, and introduce more fully what other practitioners can offer, to expand the dental care experience. These providers would include general dentists – dental specialist and providers outside the field of dentistry

My purpose is to educate my patients and optimize their total understanding of wellness in its broad context.

1. In the following list of dental specialties as well as other health and wellness specialties, please check which areas you would be interested in learning more about directly from a top practitioner:
